

New Markets Programme

Liverpool City Region Business Support Fund

If you run a business based in Liverpool City Region with plans to grow, you may be able to access funding from the New Markets Programme.

If your business employs fewer than 250 employees and has a turnover less than €50m then you could be eligible to receive a 35% contribution* towards the cost of commercial advice to support your growth. An average minimum spend of £3,000 and maximum spend of £10,000 is expected.

How it works?

If you want support to grow your business, simply contact Janice Mears, LEP Commercial Broker at newmarkets@liverpoollep.org

We will need to establish a few facts about your business and our Commercial Brokers are on hand to guide you through the application process.

For further details, visit our business advice finding service – Local Growth Hub www.localgrowthhub.com

Delivered to you by

35% funding available towards business support
