Request for Quotation

BSEN 1090 Accreditation

Background

Vartiss Ltd are fabrication and engineering contractors based in Bromborough, Wirral. Established in 2016, the company provides services to key clients in petro-chemical, energy and nuclear and pharmaceutical sectors.

Based within the Liverpool City Region and operating on projects across the UK, our engineers are involved in:

- Pipe fabrication and installation
- Tank repair and build
- Bespoke engineering and fabrication projects
- Site maintenance services

Our current success is based on the core knowledge and competence of our management and engineers. Coupled with our customer focus and right-first-time attitude, we provide services with efficiency, reliability and professionalism.

Requirement

Vartiss Limited is looking to develop robust management systems to support current business activities and facilitate future growth. Based on our ambitious growth targets and the high expectations of our client-base, we require our existing management systems (certificated to ISO9001:2015, ISO14001:2015 & OHSAS18001:2007) to be developed to achieve BSEN 1090 accreditation.

We are seeking consultancy support to develop, implement and maintain these arrangements so they are commensurate with this standard.

We are interested in receiving quotes for the provision of this consultancy support, with content that clearly demonstrates how the assessment criteria detailed below will be met.

The scope of work must include the activities and costs associated with the selection of, liaison with and attendance of accredited certification bodies to conduct the third party audits necessary to achieve certification.

Deliverable Timescale

Must complete by 30th November 2018

Indicative Budget

Up to £10,000

Evaluation Criteria

Quotations will be assessed and scored on the following criteria:

Quality/ Technical Merit (50%)

Supplier must demonstrate they have the technical and professional capability to deliver the requirement.

Delivery Timescale (20%)

Supplier must demonstrate they can deliver the requirement to timescales above.

Cost/Value for money (30%)

Does supplier offer value for money. This will not necessarily be the cheapest quote.

Scoring Methodology

4 Excellent	Proposal meets and in some places, exceeds the required standard
3 Good	Proposal meets required standard
2 Acceptable	Proposal meets the required standard in most respects, but is lacking or inconsistent in others
1 Poor	Proposal falls short of expected standard
0 Unacceptable	Completely or significantly fails to meet required standard or does not provide the relevant answer

Proposal Format

Proposals should clearly demonstrate how they meet the requirement set out above.

Deadline and Submission

Proposals are required by 21st October 2018 either electronically or by post/in person to Lyndsey Schofield, Vartiss Ltd, Unit 31B, Merseywharf Business Park, Dock Road South, Bromborough, Wirral, CH62 4SU lynds@vartiss.com

Conditions of Tender

- Please be aware that due to the relatively low indicative budget for this work (i.e. less than the current OJEU limits) there is no regulatory obligation for us to provide feedback if you are unsuccessful.
- We reserve the right to discontinue this tender process at any time and not award a contract.
- You will not be entitled to claim from us any costs or expenses which you may incur in preparing and/or submitting your Tender at any stage of this exercises. This applies whether or not your organisation is successful.
